

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: GRASL-KRAUPP, Bettina

Title: Prof

Profession: Senior Scientis

Current EFSA involvements: Member-CONTAM Panel 2015-2018 (CONTAM)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a managing entity or equivalent structure			NO INTEREST
III. Member of a scientific advisory entity	01/2014 - now	-Name: Bundesinstitut für Risikobewertung (BfR) in Berlin, (DE): Bundesinstitut für Risikobewertung (BfR) in Berlin, Berlin, GERMANY	BfR: since 2014 member of the commission "food additives, aromatics, and food processing".(1-2 meetings planned per year)

	01/2013 - now	-Name: Austrian Ministry of Health, D: Österreichisches Bundesministerium für Gesundheit, Vienna, AUSTRIA	Austrian Ministry of Health: Since 2013 member of the commissions "codex alimentarius austriacus" (~ 2meetings/yr) and "novel food" (~2 meetings/yr). In the commission "Codex alimentarius.." the advice comprises occasional consultancy with regard to risk assessment of food and feed contaminants. In the other commission I contribute to the decision finding of the commission with regard to risks of the application of genetically modified organisms for the safety of food and feed. Since December 2014 member of a working group with the purpose to give scientific advice with regard to the risks of the electronic cigarette (first meeting in December 2014; next planned for February 2015).
IV. Employment	01/2004 - now	-Name: Medical University of Vienna (MUW), Medizinische Universität Wien, Vienna, AUSTRIA	Employed as senior scientist at the Institute of Cancer Research; head of the research unit "Chemical Safety and Cancer Prevention". Research focus: chemical carcinogenesis, non-genotoxic carcinogenesis and tumor promotion in the liver, chemoprevention, peroxidized lipid and induction of hepatic inflammation; development of alternatives to animal bioassays, epithelial-mesenchymal interactions in the liver; the role of fibroblast growth factors for hepatocarcinogenesis. For further details see: http://krebsforschung.meduniwien.ac.at/forschung-research/research-focus/chemical-safety-and-cancer-prevention/bettina-grasl-kraupp-ao-univ-prof-dr/?L=1 Director of the postgraduate course Toxicology at the Medical University Vienna. For details see: http://www.meduniwien.ac.at/toxicology/php/index.php
V. Occasional consultancy	10/2014 - now	-Name: Umweltbundesamt GmbH , Austrian Federal Environment Agency Ltd, AUSTRIA, Vienna	Occasional consultancy with regard to the human biomonitoring programme of this agency
VI. Research funding	01/2010 - now	-Name: European Commission/Innovative Medicine Initiative, Austrian Science Fonds	EU-project in the frame of the Innovative Medicine Initiative (IMI) details see: www.imi-marcar.eu/ . In this project two PhD students and 2 technicians, working in my group, are receiving funding. A further project is funded by the Austrian Science Fonds (www.fwf.ac.at). One phd student and several diploma students in my group are paid from this source.
VII. Intellectual property rights			NO INTEREST
VIII. Other memberships or affiliations			NO INTEREST
IX. Other relevant interest			NO INTEREST
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
