

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: NOERRUNG, Birgit

Title: Ms.

Profession: DVM,ph.d. Head of Department

Current EFSA involvements: Vice-Chair-BIOHAZ Panel 2015-2018 (BIOHAZ), Alternate member-Scientific Committee 2015-2018 (SC), Chair-BIOHAZ WG on Listex P100 treatment of ready to eat foods (EFSA-Q-2015-00428) (BIOHAZ), Member-PROMETHEUS (PROmoting METHods for Evidence Use in Scientific assessments) - Deliverable 2 "Analysis of methods for dealing with data and evidence applied by EFSA" (AMU), Member-Uncertainty in risk assessment (SC)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a managing entity or equivalent structure	01/2010 - now	-Name: Danish Dairy Research Foundation, DENMARK	Board member the Danish Dairy research foundation. The Danish research foundation coordinates and initiates research activities in collaborations between universities and the dairy industry. The aim of the foundation is to support Dairy research and educational activities, including Dairy ingeneering, at master and PhD level within Dairy related areas. As a board member I participate in two meetings a year and at one of the meetings the primary goal is to give advise on the allocation of funding for new research projects.

III. Member of a scientific advisory entity			NO INTEREST
IV. Employment	02/2008 - now	-Name: Department of Vet. Disease Biology, Faculte of Life sciences, University of Copenhagen	The department of Veterinary Disease Biology carries out research and education within the disciplines, Biomedicine, Toxicology, Pharmacology, Pharmacy, Parasitology, Virology, Immunology, Bacteriology, Food Microbiology, Pathology, Poultry diseases, Fish diseases. Furthermore the department has activities on research, capacitybuilding and knowledge management in relation to animal and human health in developing countries. My personal expertise lies within microbial food safety and includes hazard characterisation and exposure assessment of foodborne microorganisms espec. zoonoses like Salmonella Campylobacter, Listeria and foodborne viruses. My expertise includes microbiological criteria and interfase between risk assessment and risk management.
	01/2012 - 12/2013	-Name: Vice Dean Faculty of Health and Medical Sciences, University of Copenhagen	The faculty deals with research, education and knowledge management within the areas of Health and Medical Sciences. More information can be found at www.sund.ku.dk . I am not personally involved in specific research projects.
V. Occasional consultancy	02/2009 - now	-Name: Danish Ministry for Food	I have been involved in consultancy work for Ministry for Food related to management of Salmonella in the Food chain, including investigation of a big Salmonella outbreak in 2008-2009. I participate in ad hoc consultancy work on i.e. Foodborne outbreaks etc.
VI. Research funding	02/2008 - now	-Name: Department of Vet. Disease Biology	The department is involved in many research projects financed by national and international bodies: see homepage http://www.life.ku.dk/English/research/publications_projects.aspx My personal expertise lies within microbial food safety and includes hazard characterisation and exposure assessment of foodborne microorganisms espec. zoonoses like Salmonella Campylobacter, Listeria and foodborne viruses. My expertise includes microbiological criteria and interfase between risk assessment and risk management. I am not personally involved in research projects financed by private funding.
VII. Intellectual property rights			NO INTEREST
VIII. Other memberships or affiliations	11/2014 - now	-Name: Danish Academy for Natural Sciences	Member of Danish Academy for Natural Sciences
IX. Other relevant interest			NO INTEREST
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
