

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: HEINONEN, Marina

Title: Prof.

Profession: Professor

Current EFSA involvements: Member-NDA Panel 2015-2018 (NDA), Member-Claims 2015-2018 (NDA), Member-Novel Foods 2015-2018 (NDA)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest (Close family member)	01/2003 - now	-Name: Huhtamäki Ltd	Expert and member of the family owns a small number of shares with a company producing packaging materials for foods. Economic interest only.
II. Member of a managing entity or equivalent structure	01/2011 - now	-Name: University of Helsinki, Department of Food and Environmental Sciences	Vice member of the managing body of the department. Former (2011-2013) vice director (responsible for societal interactions and impact) at the Department of Food and Environmental Sciences. Member of the Faculty Board of Faculty of Agriculture and Forestry since 2015.
III. Member of a scientific advisory entity			NO INTEREST
IV. Employment	04/1984 - now	-Name: University of Helsinki	Teaching in food chemistry and chemical food safety and carrying out research activities regarding protein and lipid oxidation, antioxidant action and analysis of phenolic composition of food materials.
V. Occasional consultancy			NO INTEREST

VI. Research funding	01/2008 - now	-Name: Mildola	Analytical services provided by the laboratory of the University of Helsinki. This includes food sample analyses, e.g. phenolic and vitamin E analyses on rapeseed oil. Linked to the characterisation of food. Deliverables include analysis reports. Occasional collaboration regarding student work toward MSc thesis resulting in public report.
	01/2003 - now	-Name: EU, Technological Research Agency of Finland, Academy of Finland	Research collaboration between academia and industry in research projects funded with Public resources. Our area of research is focusing on oxidation reactions of lipids and proteins and isolation, characterization and antioxidant properties of plant phenolics.
	01/2013 - 12/2013	-Name: Fazer Ltd	Analytical services provided by the laboratory of the University of Helsinki. This includes food sample analyses, e.g. phenolic analyses on food products. Linked to the characterisation of food. Deliverables include analysis reports. Occasional collaboration regarding student work for MSc thesis resulting in public report.
	03/2011 - 05/2012	-Name: Kiantama	Analytical services provided by the laboratory of the University of Helsinki. This includes food sample analyses, e.g. food compositional analyses on berry phenolics. Deliverables include analysis reports.
	01/2011 - 01/2012	-Name: EFSA	Tender to provide evidence reports identifying health outcomes upon which Dietary Reference Values could potentially be based for vitamins A, C, E, K.
	01/2008 - 10/2010	-Name: Raisio	Analytical services provided by the laboratory of the University of Helsinki. This includes food sample analyses, e.g. phenolic and antioxidant analyses on food products. Linked to the characterisation of food. Deliverables include analysis reports.
VII. Intellectual property rights			NO INTEREST
VIII. Other memberships or affiliations	11/2007 - 12/2010	-Name: ILSI Expert Group on Phenolic Antioxidants Health Claims	Participation in scientific evaluation regarding public literature on antioxidant effects of polyphenols for cardiovascular health with a review paper published in J. Nutr. in 2011. This scientific work was not related to services provided to products, their development and/or assessment of methods carried out on behalf of trade associations or other bodies with an interest in this subject matter.
IX. Other relevant interest			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
