

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: NASKA, Androniki

Title: Prof.

Profession: Associate Professor of Hygiene and Epidemiology

Current EFSA involvements: Vice-Chair-NDA Panel 2015-2018 (NDA), Chair-Dietary Reference Values for minerals 2015-2018 (DRV MIN) (NDA)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a managing entity or equivalent structure			NO INTEREST
III. Member of a scientific advisory entity	01/2014 - now	-Name: Hellenic Ministry of Health (MoH), Athens, GREECE	Member of the Committee on the National Nutrition Policy. It is a Scientific Committee set by the Hellenic Ministry of Health with the mandate to provide scientific advice to the Government. A mandate refers to reviewing the outcome of a project assigned by the Ministry of Health to a Forum of Greek Academics aiming to revise food-based dietary guidelines for Greeks. In 2014 the Committee had two tele-meetings and one on site meeting. Four to five meetings per year are foreseen.
	12/2013 - now	-Name: EFET, E.F.E.T., Hellenic Food Authority, GREECE, Athens	Member of the Scientific Committee on Food Additives

	04/2011 - 09/2011	-Name: Hellenic Food Authority	Member of a working group of the Hellenic Food Authority with the mandate to review available literature on "Predictive Modelling of food quality and safety" and suggest models that could be applicable to the Greek situation. The group's conclusions were summarised in a report and I had an advisory role.
IV. Employment	03/2015 - now	-Name: Dept. of Hygiene, Epidemiology and Medical Statistics, School of Medicine, National and Kapodistrian University of Athens (NKUA), National and Kapodistrian University of Athens, Athens, GREECE	Associate Professor of Hygiene and Epidemiology
	07/2008 - 02/2015	-Name: Dept. of Hygiene, Epidemiology and Medical Statistics, School of Medicine, University of Athens	Assistant Professor of Hygiene and Epidemiology (with tenure after 2012)
V. Occasional consultancy			NO INTEREST
VI. Research funding	12/2014 - now	-Name: EFSA, European Food Safety Authority, Italy, Parma	Support to National Dietary Surveys in compliance with the EU Menu methodology - infants, toddlers and children
	11/2014 - now	-Name: EFSA, European Food Safety Authority, Italy, Parma	Support to National Dietary Surveys in compliance with the EU Menu methodology – Lot 1 – “The children’s survey”, including subjects from three months up to 9 years old,
	08/2013 - now	-Name: EFSA, European Food Safety Authority, Italy, Parma	Support to collect EU Menu food consumption data in Greece
	08/2013 - now	-Name: EFSA, European Food Safety Authority, Italy, Parma	Support to the Greek national dietary surveys in compliance with the EFSA Guidance on general principles for the collection of national food consumption data in the view of a pan-European dietary survey” – adolescents, adults and elderly
	08/2012 - 01/2014	-Name: EFSA, European Food Safety Authority, Italy, Parma	EFSA tender CFT/EFSA/DCM/2012/02 entitled "Dietary monitoring tools for risk assessment"
	01/2011 - 05/2013	-Name: Hungarian Food Safety Office	The PILOT-PANEU project coordinated by the Hungarian Food Safety Office and supported by EFSA. Developing and testing protocols and methods for the EU-Menu study
	01/2010 - 03/2013	-Name: National Kapodistrian University of Athens Research Grants, Athens Greece	Research on dietary habits of University Students. Funding directed to me individually.
	01/2010 - 12/2011	-Name: National Institute for Health and Welfare	The EHES Pilot Joint Action supported by DG-SANCO. The pilot study of the European Health Examination Survey
	09/1997 - 12/2011	-Name: National School of Public Health AND University of Athens Medical School AND The Hellenic Health Foundation	Prospective cohort study aiming at investigating the role of biologic, dietary, lifestyle and environmental factors in the etiology of cancer and other chronic diseases. Funding addressed to the National School of Public Health and the University
	09/1997 - 02/2011	-Name: National School of Public Health AND Dept. of Hygiene, Epidemiology and Medical Statistics, University of Athens Medical School	Management and harmonisation of household budget survey data in 28 European countries. Coordination of the development and maintenance of Dafne-Anemos Soft, a web-based application tool providing free access to the harmonised data. Funding addressed to the University
VII. Intellectual property rights			NO INTEREST

VIII. Other memberships or affiliations	01/2010 - now	-Name: European Association for Cancer Research, EACR	Member. With nearly 10,000 members, the EACR founded in 1968, is Europe's largest member society for cancer research.
	01/2010 - now	-Name: World Public Health Nutrition Association, WPHNA	Member. Members of the Association promote and strengthen public health nutrition, as a profession and discipline with responsibility to understand, protect and improve nutrition-related population health and well-being.
	11/2007 - now	-Name: Hellenic Health Foundation	The Hellenic Health Foundation (HHF) is a non-profit organization based in Greece. It provides expertise in the area of health research. Its efforts are focused on informing the general public on important health issues. My affiliation to HHF relates to the provision of scientific advice and support in the undertaking of EU-funded research.
	01/2006 - now	-Name: European Federation for the Science and Technology of Lipids, Euro Fed Lipid	<p>Member. Euro Fed Lipid is a federation of 13 scientific associations concerned with Lipids, Fats and Oils. Its mission is the furthering of lipid science and technology and the cooperation and exchange of ideas between scientists and technologists at a European level.</p> <p>The activities of Euro Fed Lipid include the organisation of international congresses at varying venues, the co-organisation of the annual fair "oils+fats" and the publishing of the "European Journal of Lipid Science and Technology".</p> <p>During my membership I attended one fair on "oils+fats" held in Athens (September 2008). I have not had any direct or indirect involvement in any research and/or risk assessment activities on food products/substances (e.g. oils and fats) possibly sponsored or promoted by Euro Fed Lipid.</p>
	01/1996 - now	-Name: Association of Greek Chemists	<p>Member of the Association of Greek Chemists. It primarily is a scientific society with the mission to promote the science of chemistry in education, technology and research.</p> <p>Through my membership, I have been member in Scientific Committees of Conferences in Greece. Neither am I aware of any research and/or risk assessment activities on food products/substances in which the Association might be involved, nor have I any direct or indirect involvement in such activities.</p>
IX. Other relevant interest	06/2012 - now	-Name: The Public Health Nutrition journal - Cambridge journals	Editor for Public Health Nutrition, a journal of the Nutrition Society
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
