

## ANNUAL DECLARATION OF INTERESTS (ADoI)

*(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)*

**Name:** ZUGRAVU, Corina-Aurelia

**Title:** Prof.

**Profession:** medical doctor Physicians

**Current EFSA involvements:** Member-CEF Panel 2014-2017 (CEF)

Nature of Activities	Period	Organisation	Subject matter
<b>I. Economic interest</b>			NO INTEREST
<b>II. Member of a managing entity or equivalent structure</b>			NO INTEREST
<b>III. Member of a scientific advisory entity</b>	04/2015 - now	-Name: Ministry of Health (MH), Bucharest, ROMANIA	The Ministry of Health has different scientific boards. I am a member of the Board of diabetes, nutrition and metabolic diseases. The membership is not paid. Board members are meeting maybe 2-4 times per year and consulted in public health problems regarding the field of the board. In this specific board, topics like the National Program for Diabetes are discussed.

	01/2013 - now	-Name: Romanian Sanitary Veterinary and Food Safety Authority, ROMANIA, BUCHAREST	The Romanian Sanitary Veterinary Authority has formed an Advisory board together with other state-owned organisations (the Ministry of Health, the Ministry of Agriculture, the Association of Medical Doctors, the University of Agriculture, etc). The board meets twice per year and discuss food safety problems encountered in Romania during the previous period of time. Participation at this advisory board is unpaid.
	03/2012 - now	-Name: European Commission - DG SANTE (EC), Brussels, BELGIUM	Expert Groups on Food additives, flavorings and enzymes. These Groups have been charged with the task of providing advice to the European Commission on food additives, enzymes and flavorings regarding risk management. The group uses EFSA reports and advise but nothing falls under EFSA remit I sit on this group as a Romanian governmental expert. Each group meets with a different frequency (per year maybe every two month my participation is requested at a group or another). Participation is unpaid, the Commission is financing just transportation directly to our Ministry.
	01/2010 - now	-Name: Ministry of Health (MH), Bucharest, ROMANIA	The Ministry of Health has different scientific boards. I am a member of the Board of Hygiene The membership is not paid. Board members are meeting maybe once per year and consulted in public health problems. Conclusions are used in deciding public health plans for the next year, in different fields of activity. My expertise is linked to Public Health Nutrition and Food Safety.
<b>IV. Employment</b>	10/1999 - now	-Name: Institutul National de sanatate Publica, Bucuresti, Romania; National Institute of Public Health, Bucharest, Romania, INSP.	The National Institute of Public Health has an official responsibility of carrying out activities of risk management in different fields of interest. My activity implies risk management in relation with food additives and nutrients (human nutrition).
	09/1991 - now	-Name: University of Medicine and Pharmacy Carol Davila (UMF), Bucharest, ROMANIA	The University is a teaching and research body, covering education for medical doctors, nurses, midwives, dentists. It is state-owned and nonprofit, depending of the Ministry of Education. I entered at the university exactly after finishing the faculty of medicine (done at the same university) and progressed, since 1991, through every hierarchical step, to the title of Associate Professor. I head the Discipline of Hygiene and Ecology at the Faculty of Nurses and Midwifery and also am the responsible of the Master Program of Nutrition and Food Safety. Some of the topics we cover with our students are: Nutrients, Groups of foods, Nutritional Recommendations, Gastrotechnology, Dietetics, Malnutrition, Nutritional deficiencies, Evaluation of the Nutritional Status, Lab procedures of evaluation of nutrients in foods, Food Additives, Food Safety, Evaluation of health hazards in Food, Hygiene in Food Industry, Practical evaluation of safety of foods, food industry environment, Good Manufacturing Practices in Food Industry, HACCP, Food Legislation, Public Health Programs, Health Promotion. My late research activity covered evaluations of the nutritional status in the Romanian population and intakes of food and nutrients.
<b>V. Occasional consultancy</b>			NO INTEREST
<b>VI. Research funding</b>	01/2015 - now	-Name: EFSA, European Food Safety Authority, Italy, Parma	The project's ID is OC/EFSA/DATA/2014/02 and it is included in the larger frame of EU Menu.
	09/2013 - 05/2014	-Name: EFSA, European Food Safety Authority, Italy, Parma	The projects ID is OC/EFSA/DCM/2013/01-CT03 and it was linked with the fulfilment of the EFSA Comprehensive European Food Consumption Database.
<b>VII. Intellectual property rights</b>			NO INTEREST

<b>VIII. Other memberships or affiliations</b>			NO INTEREST
<b>IX. Other relevant interest</b>			NO INTEREST
<b>X. Interests of close family members</b>			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
