

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: ROBERTSON, Lucy

Title: Prof

Profession: Scientist

Current EFSA involvements: Member-BIOHAZ Panel 2015-2018 (BIOHAZ)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a managing entity or equivalent structure			NO INTEREST
III. Member of a scientific advisory entity	04/2009 - now	-Name: ISO (Standards Norge)	Expert for ISO (Standards Norge) on the panel ISO/TC 34/SC 9 - standardization of a process for detection of parasites in food. Appointed leader of this panel during its first meeting (AFNOR, Paris, April 2011).

	01/2004 - now	-Name: Norwegian Scientific Committee for Food Safety	Participating in risk assessments on behalf of the Norwegian Food Safety Authority. Member of panel concerned with biological hazards. Member of ad hoc group concerned with regulations for use of manure/sewage sludge on the land. Leader of ad hoc group concerned with RA on introduction of E. multilocularis to Norway. Led ad hoc group concerned with risk associated with protozoan parasites in Norwegian water
IV. Employment	01/2004 - now	-Name: Norwegian University of Life Sciences	Teaching parasitology to veterinary students /parasitology research
V. Occasional consultancy	07/2004 - now	-Name: Lucy Robertson Writing Services	Copy editing (language improvement) particularly of scientific articles. This work involves no meetings and is done outside the normal working day (that is during weekends and evenings).
VI. Research funding	01/2007 - now	-Name: Norwegian University of Life Sciences	I apply for research funding for research projects. In the last 5 years I have been involved in research projects which are funded internally via monies that the Veterinary School where work receives from the Education ministry in Norway (e.g. supervision of a PhD student researching canine giardiasis). I have been involved in projects funded by the Norwegian Research Council (as postdoctoral researcher on project concerned with epidemiology of cryptosporidiosis in Norway). I have been involved in research projects funded under EU 7th Framework Programme (e.g. task leader on 'veg-i-trade' (concerned with globalisation and pathogens on fresh produce), in which my task involved development of methods for analysing fresh produce for different protozoa of public health significance. I have been involved in research/educational projects funded by the Norwegian Centre for International Cooperation in Education. I am the scientific coordinator of a COST Action on foodborne parasites. This involves a range of participants from academia, institutes, and industry, and is designed to foster interactions between different groups with different expertise and knowledge. None of these activities are in a private capacity – the funds are received by my institute
VII. Intellectual property rights			NO INTEREST
VIII. Other memberships or affiliations	01/2009 - now	-Name: Scandinavian Baltic Society for Parasitology	Ordinary member of society and also auditor
IX. Other relevant interest			NO INTEREST
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.

Date: 29/04/2015 Signature: **SIGNED**
