

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: GRILLI, Sandro

Title: Prof.

Profession: Full Professor of Oncology at the Bologna University Medical School, Bologna, Italy

Current EFSA involvements: Member-PPR Panel 2015-2018 (PPR), Member-Standing WG Genotoxicity (2015-2018) (SC)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a managing entity or equivalent structure			NO INTEREST
III. Member of a scientific advisory entity	04/2004 - now	-Name: Italian Ministry of Education and Research, Rome, Italy - Ministero dell'istruzione, universita' e ricerca, Roma, Italia MIUR	Evaluation Committee of two national special integrated research programs (FISR) on food safety (diet quality and wellbeing). I was the monitor of two out of many research projects. I dedicated about 5 days/year to this activity. I received a compensation of around 1% of my annual income. Type: Public Safety and health related food as nutrients and contaminants.

	01/2002 - now	-Name: Italian Ministry of Health, Rome, Italy, National Advisory Committee on Pesticides - Ministero della Salute, Roma, Italia - Commissione Consultiva Prodotti Fitosanitari	member with right to vote. I dedicated about 10 days/year to this activity and received no compensation. Type: Public Pesticides
	07/2013 - 03/2014	-Name: Ministero dell'Università e della Ricerca (MUR), Ministry of University and Research, Italy	Evaluation Committee for national research program (PRN) on Reduction of air pollution by optimized automobile engines and new fuels. I was also the monitor of the project. I dedicated about 5 days/year to this activity and received a compensation of around 1% of my annual income. Type: Public Safety and health related to presence of contaminants
	12/2012 - 03/2013	-Name: Ministero dell'Università e della Ricerca (MUR), Ministry of University and Research, Italy	Evaluation Committee for the national research program (PNR) "Methodologies and Technologies to reduce the environmental impact from use of pesticides". I was also the monitor of project and dedicated about 5 days/year to this activity. I received a compensation of around 1% of my annual income. Type: Public Safety and health related food as nutrients and contaminants
	12/2005 - 02/2013	-Name: Ministero dell'Università e della Ricerca (MUR), Ministry of University and Research, Italy	Evaluation Committee of Applied research program (FAR) and monitor of the "Study of a modified Superoxide dismutase (m-MN-SOD-2) from human liposarcoma, recombinant in E. coli, with antitumor and antioxidant properties". I dedicated about 4 days/year to this activity. I received a compensation of around 0.5 % of my annual income. Type: Public Safety and health related to new anticancer agents.
IV. Employment	02/1972 - now	-Name: University of Bologna, Bologna, Italy - Università di Bologna, Bologna, Italia	The remit of University of Bologna is to perform education and research activity in many fields of Sciences and Humanities being an ancient and great University. University of Bologna has particular interest in pesticide risk assessment capacity. My activity in the University is that typical of a university professor: i) education for students as to Oncology, General pathology, Carcinogenicity, Toxicology; ii) research: cancer risk assessment, experimental and environmental toxicology. Thus, I am full professor, formerly associate professor and assistant professor of Oncology Type: Public Risk assessment
V. Occasional consultancy			NO INTEREST
VI. Research funding	07/2011 - now	-Name: Emilia-Romagna Region through ARPA ER, Bologna, Italy - Regione Emilia Romagna attraverso ARPA ER, Bologna, Italia	Grant for Supersite project, funding for 5 years to evaluate and monitor human health effects by urban air Type: public Risk assessment
	04/2007 - 12/2010	-Name: Emilia-Romagna region Grant through ARPA ER, Bologna, Italy- Regione Emilia Romagna attraverso ARPA ER, Bologna Italia	Grant for 3-year Monitor research program on the effects on human health by the 8 incinerators working in that Region Type: public Risk assessment
VII. Intellectual property rights			NO INTEREST
VIII. Other memberships or affiliations			NO INTEREST
IX. Other relevant interest			NO INTEREST

X. Interests of close family members			NO INTEREST
---	--	--	-------------

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
