

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: TOMÉ, Daniel

Title: Professor

Profession: Professor

Current EFSA involvements: Member-NDA Panel 2015-2018 (NDA), Vice-Chair-Dietary Reference Values for vitamins 2015-2018 (DRV VIT) (NDA)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a managing entity or equivalent structure			NO INTEREST
III. Member of a scientific advisory entity	05/2012 - now	-Name: European Research Council (ERC)	Member for the panel LS9 – Applied life sciences and biotechnology in the ERC Advanced Grant 2012 evaluation, Grant 2014 Evaluation; ; chair of the LS_9 committee for 2014-2015. The panel evaluate research applications; about 3 meetings each year.
	06/2007 - now	-Name: French Departement of Health	Member of the "Comité interministériel de validation des chartes d'engagements de progrès nutritionnels". About 4 meeting by year. This consultative committee help the french departement of health for the evaluation of the nutritional quality of foods produced by food companies. Reports from the comittee are used by the administration to decide whether or not a companies has an efficient program to improve the quality of the foods they produce.

	03/2014 - 03/2014	-Name: Food and Agriculture Organization (FAO), en, Roma, ITALY	Member of the FAO Expert working group meeting on “Protein Quality Evaluation Research Protocol”, 02 March 2014 to 05 March 2014 at Bangalore, India.
	11/2013 - 11/2013	-Name: International Atomic Energy Agency (IAEA), en, Vienna, AUSTRIA	Member of the expert meeting to Review the status of protein and amino acid requirements in infants and young children, 12-14 November 2013, IAEA HQ Vienna, Austria.
	12/2010 - 12/2012	-Name: The Nevin Scrimshaw International Nutrition Foundation	<p>Member of the Protein and Amino Acid Working Group.</p> <p>The main objective of the working group on Protein and Amino Acid is to organize scientific workshops and to produce and publish scientific reviews related to Protein and Amino Acid nutrition.</p> <p>The International Nutrition Foundation (INF) is a non-profit organization that mobilize support for training, research, and communication related to food and nutrition in developing countries. Initially partnering with the United Nations University, its collaboration has steadily expanded to other agencies such as the International Union for Nutrition Sciences (IUNS) and other UN and bilateral agencies.</p>
	01/2000 - 07/2012	-Name: Agence nationale de sécurité sanitaire de l'alimentation, de l'environnement et du travail	<p>Member of the consultative committee for human nutrition.</p> <p>This consultative committee help the the national agency ANSES for and its unit for the evaluation of nutrition and nutritional risks :</p> <ul style="list-style-type: none"> - examines the nutritional properties of substances and foodstuffs destined for human consumption as well as the sanitary risks and benefits relating to them - examines food label claims - develops nutritional standards for the population and population sub-groups - provides the scientific tools necessary for developing and putting into practice national nutritional policy: - draws up general observations, opinions and recommendations on the main themes of public health (salt, carbohydrates and health, morning snacks at school, prevention of child obesity, etc.) - designs the scientific background for food guidelines intended for different groups (as part of the National Nutrition and Health Programme): general population, children, teenagers, elderly people, health professionals, etc.
	03/2011 - 03/2011	-Name: Food and Agriculture Organization (FAO)	Expert member of the FAO EXPERT CONSULTATION ON PROTEIN QUALITY EVALUATION March 31 – April 2, 2011, Auckland, New Zealand
IV. Employment	01/1995 - now	-Name: AgroParisTech	<p>Professor in human nutrition. President of the department of Life Sciences and Health.</p> <p>AgroParisTech is a french public institute for education and research. My activity is to teach human nutrition for students at bachelor, Master and doctoral level. I also train PhD students in the field of human nutrition.</p>
V. Occasional consultancy			NO INTEREST
VI. Research funding	01/1995 - now	-Name: AgroParisTech	Public annual funding of research from the department of Agriculture. Basic research on protein and amino acid metabolism, protein and amino acid requirement in human.

	01/1990 - now	-Name: Institut National de la Recherche Agronomique (INRA)	Public annual funding of research from INRA. Basic research on protein and amino acid metabolism, protein and amino acid requirement in human.
	01/2006 - 12/2010	-Name: European community	Coordinator of a European Marie Curie funded program, NuSisCo "Nutrient Sensing In Satiety Control and Obesity"
VII. Intellectual property rights			NO INTEREST
VIII. Other memberships or affiliations	01/2014 - now	-Name: Journal of Nutrition	Associate Editor - Management of publications submitted to the journal
	01/2011 - now	-Name: British Journal of Nutrition	Member of the Editorial Board - Review of publications submitted to the journal
	01/2010 - now	-Name: European Journal of Clinical Nutrition	Member of the Editorial Board - Review of publications submitted to the journal
	01/2010 - now	-Name: Journal PlosOne	Academic Editor - Review of publications submitted to the journal
IX. Other relevant interest	05/2012 - 05/2012	-Name: United States Agency International Development - Office of food for peace	Presentation of a conference on "Digestibility issues of vegetables versus animal proteins; Protein and Amino Acid Requirements-Functional Aspects" at the "Protein quality workshop"
	12/2011 - 12/2011	-Name: Nutrition Society	Conference on "Nutient sensing and signaling by the gut". 70th Anniversary of the Nutrition Society, Session on "Body weight regulation – food, gut and brain signalling".
	03/2011 - 03/2011	-Name: RIDDET INSTITUTE, Massey University	International Symposium: Dietary Protein for Human Health. Presentation of a conference on "Criteria and markers for protein quality assessment - a review"
	01/2011 - 01/2011	-Name: Association française de zootechnie	Presentation of a conference at the annual meeting on "place of meat on the relation between nutrition and health"
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.

Date: 21/09/2015 Signature: **SIGNED**
